

**Regional Programs  
10-Year Trend Report  
2006-2016**

## Statewide Totals Family Medicine Residents in Training

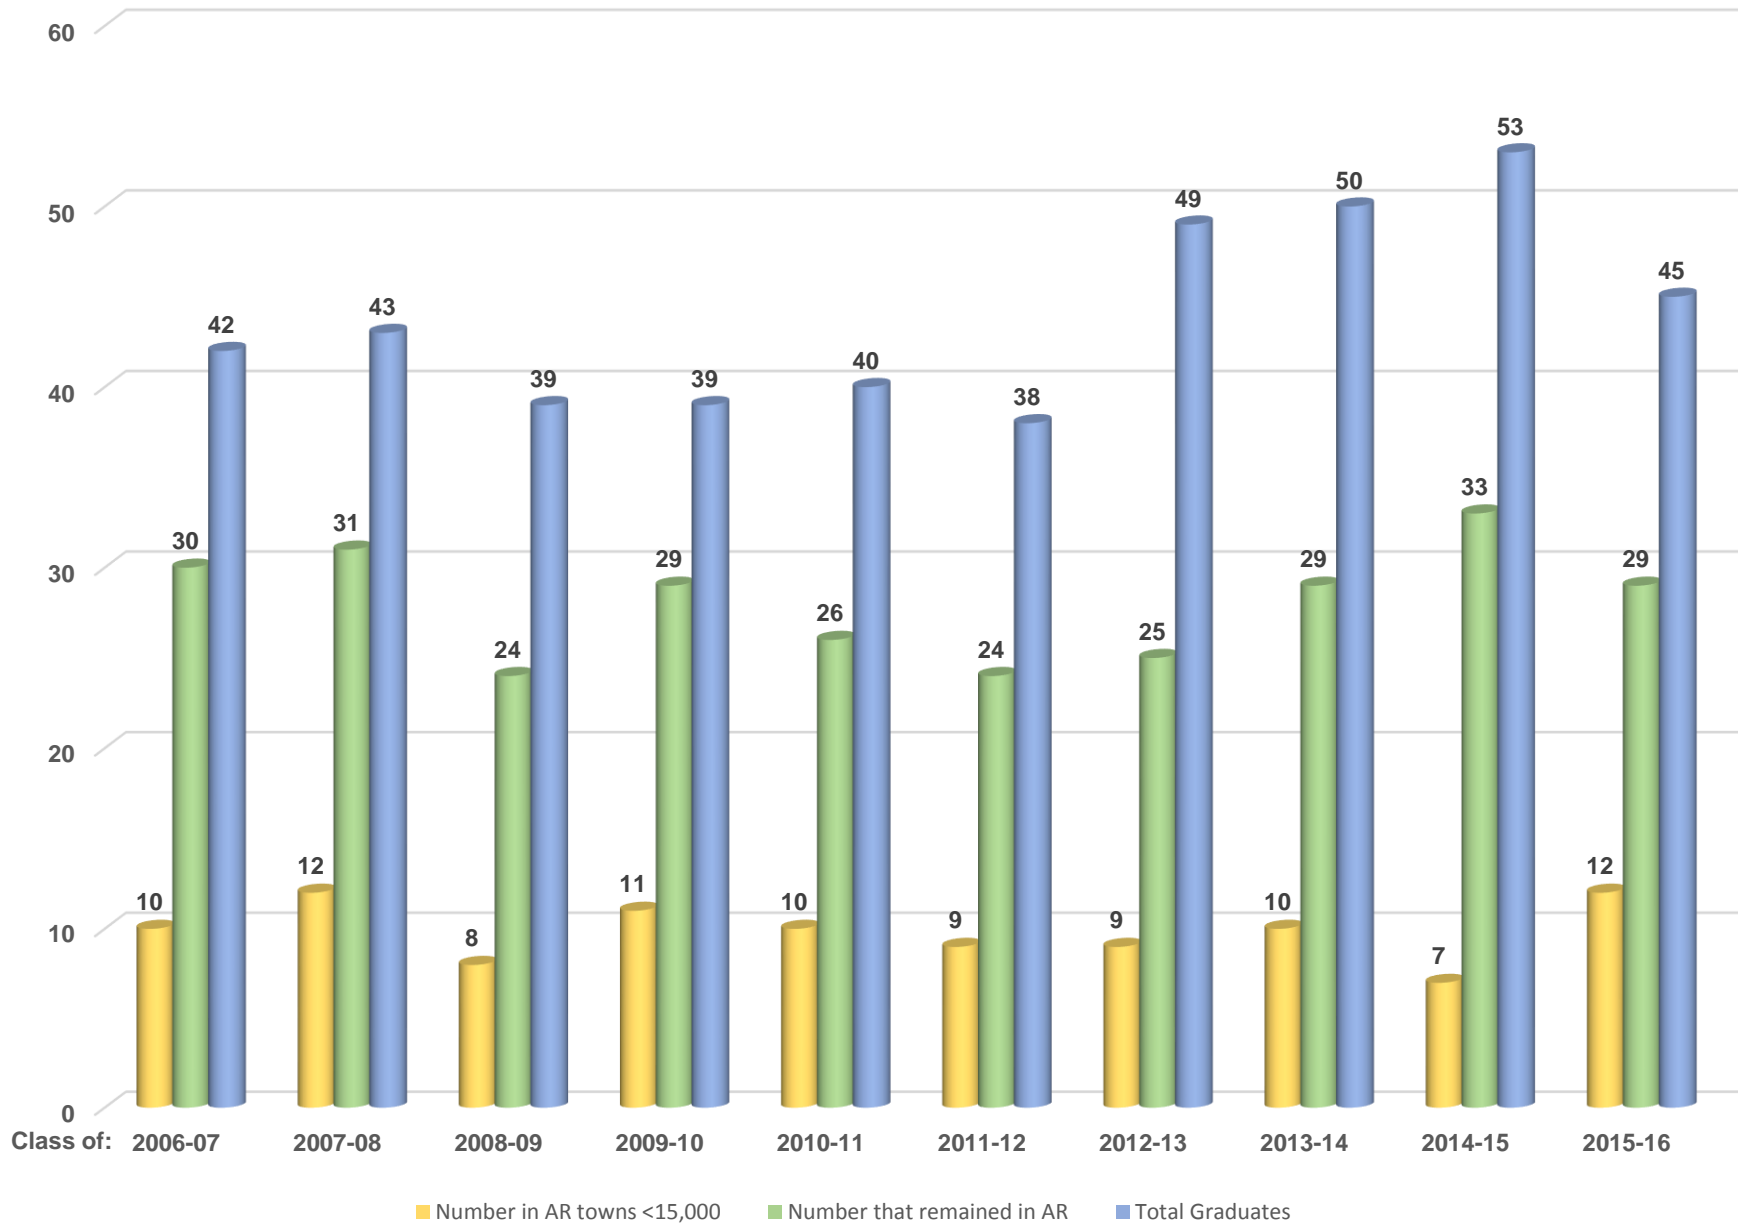

Residents may include:

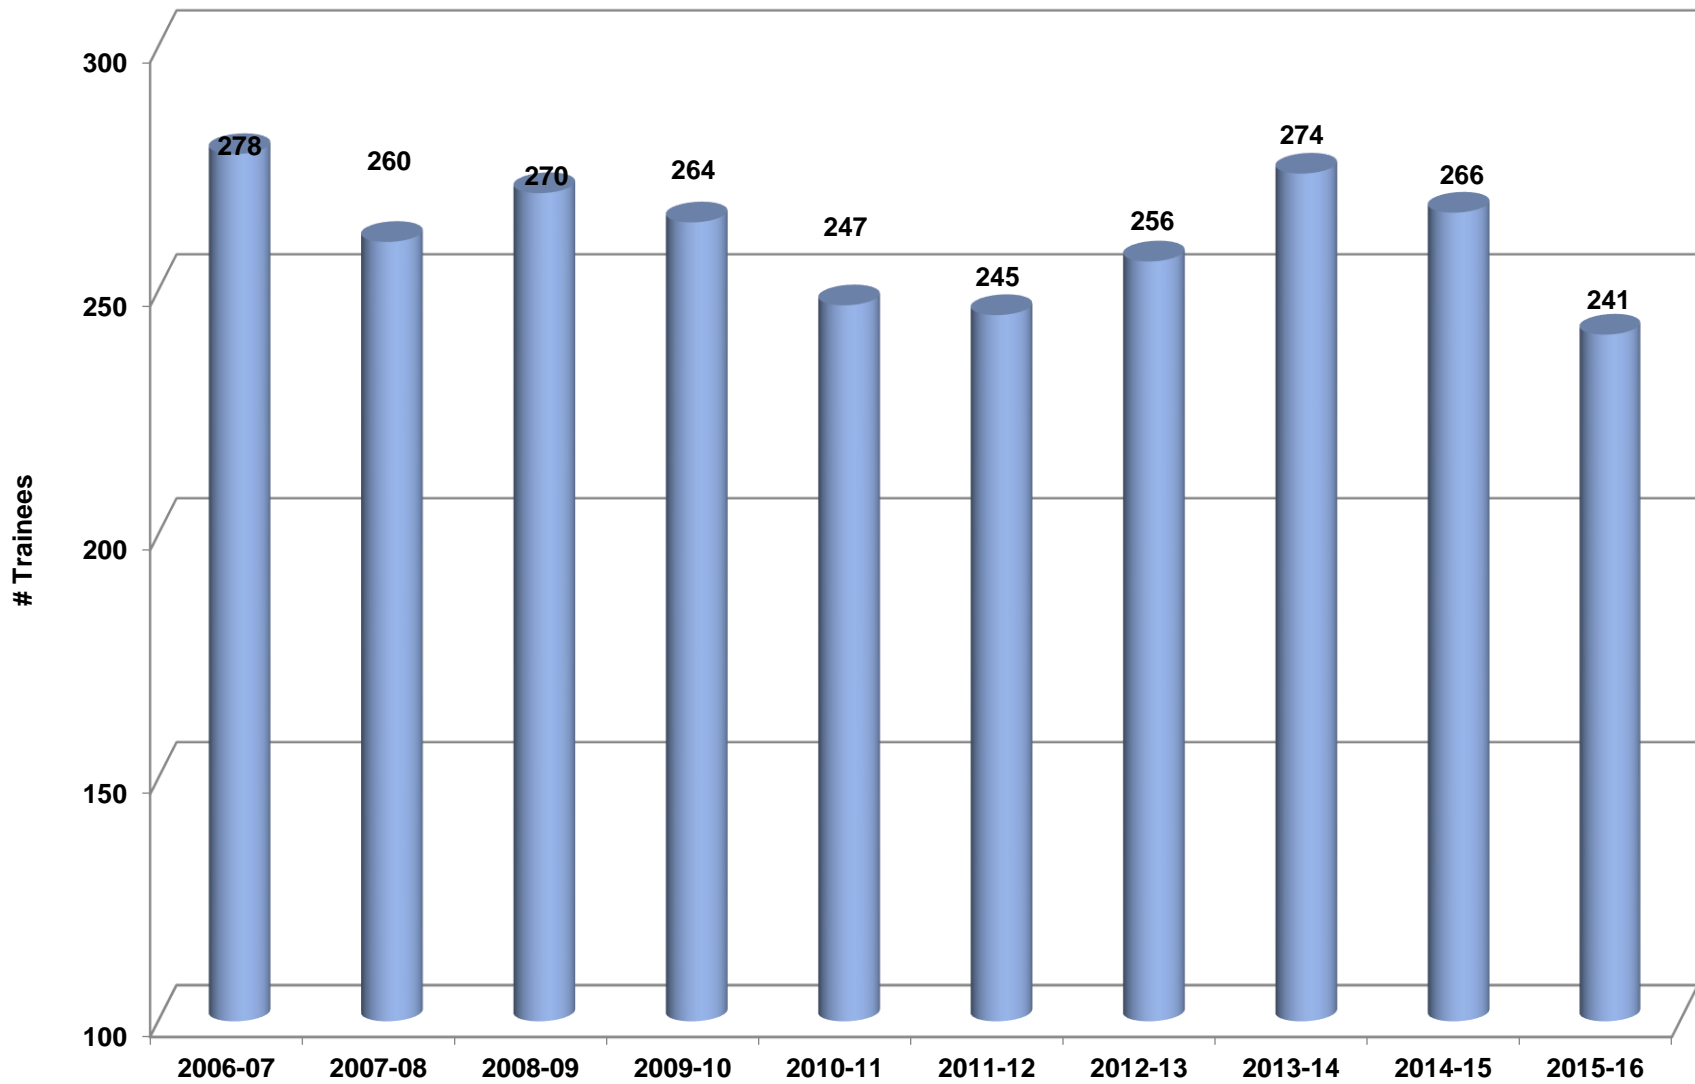

- Regional Centers Family Medicine Residency Programs
- UAMS South Rural Training Track
- Rotations by other residents from UAMS or Out of State residency programs

\* Decrease in total residents due to expiration of several Residency expansion grants

# Statewide Totals Family Medicine Residency Program Graduates

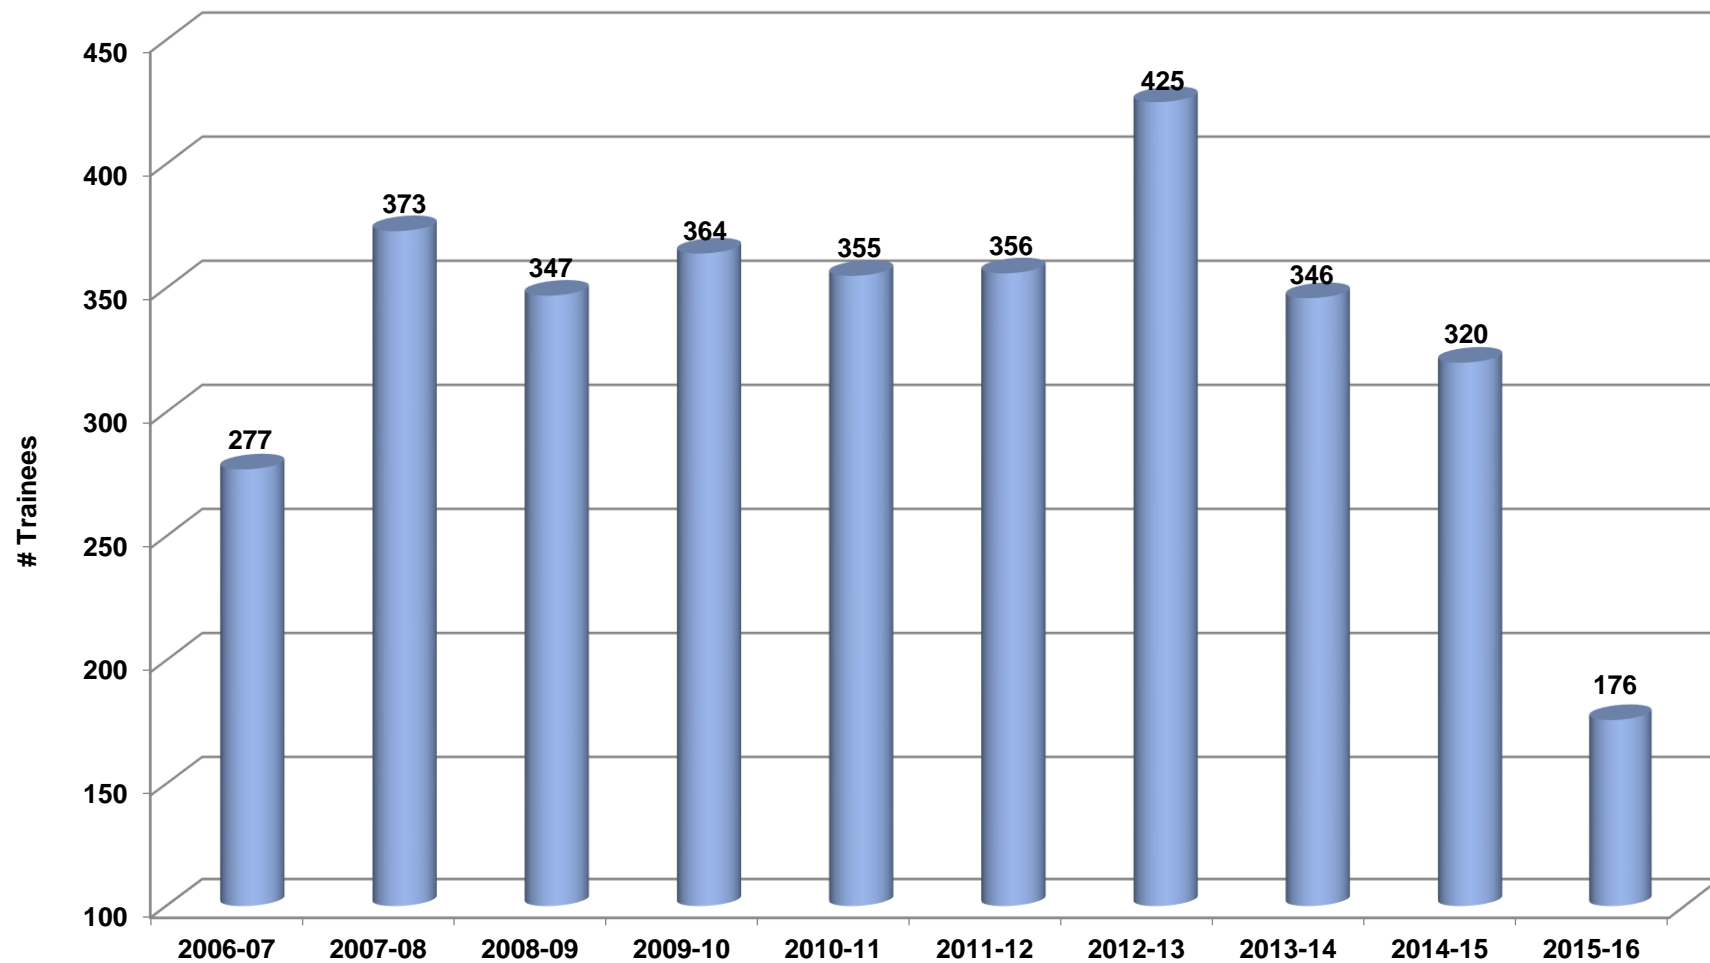

## Statewide Totals Medical Students

Trainees may include: UAMS students performing Preceptorships, Jr. Clerkships, Sr. Electives/Selectives, and Acting Internships, UAMS Northwest Longitudinal Jr Clerkships and Senior Electives, or Out-of-state students performing Regional Center rotations

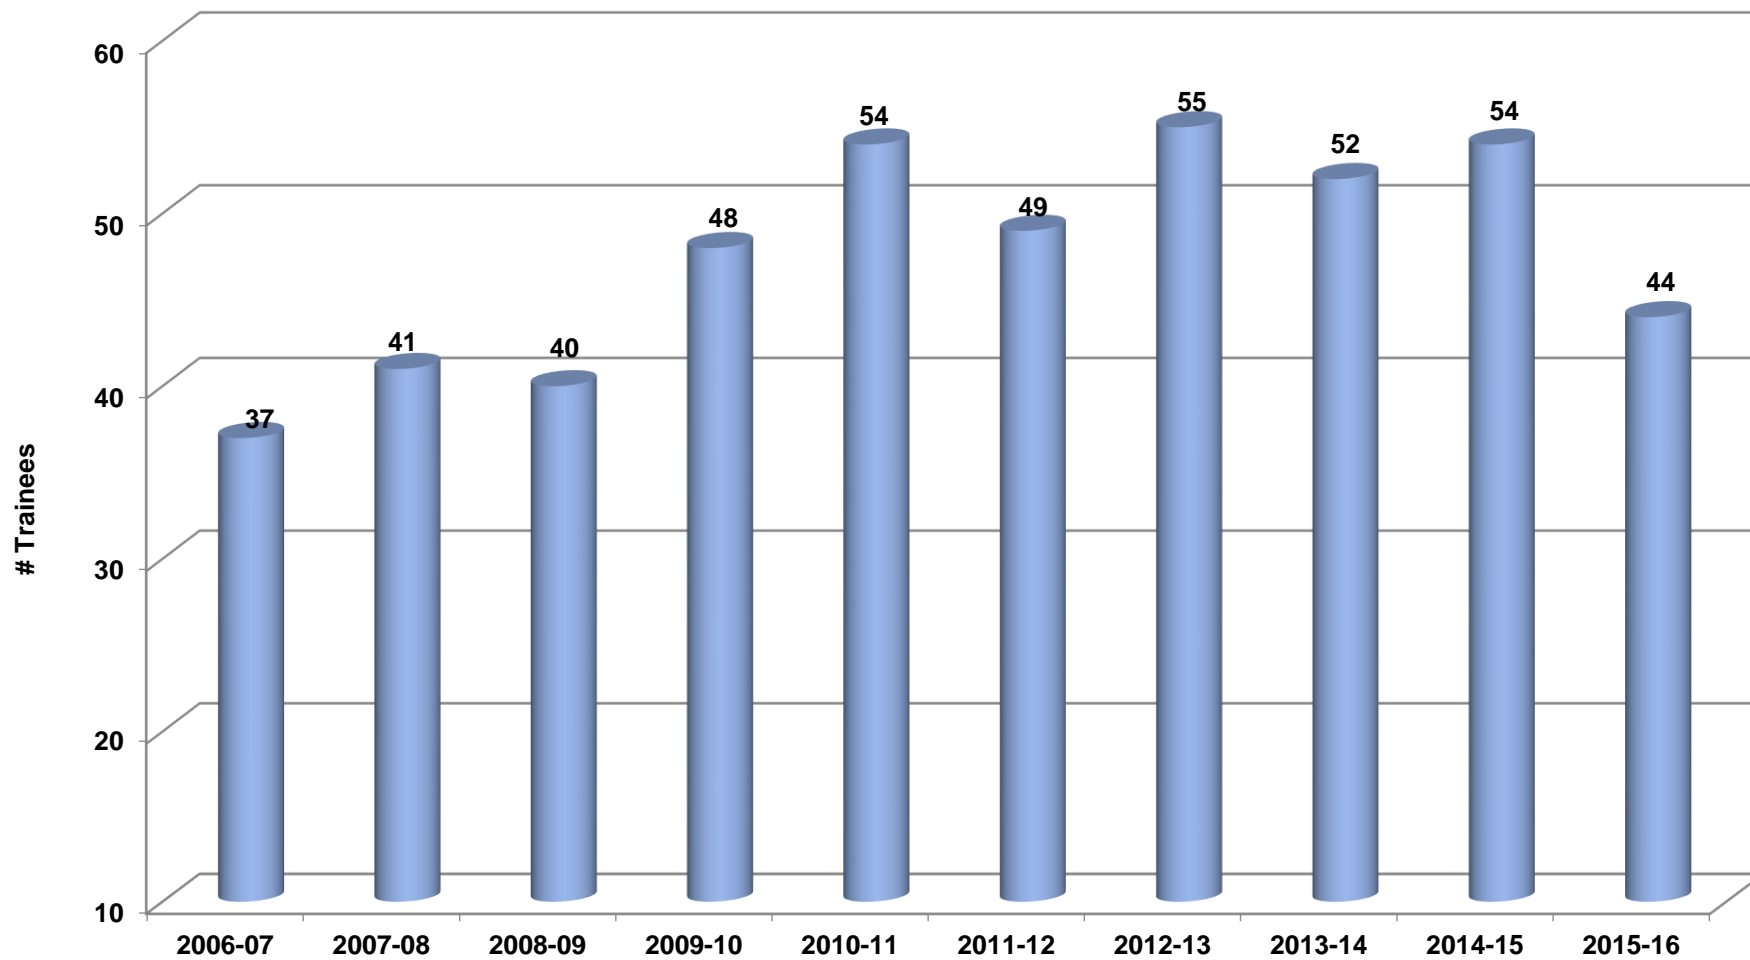

## Statewide Totals Nursing

Trainees may include:

- UAMS outreach nursing students (BSN to MNSc level didactic courses and/or clinical rotations), FP and APN students
- Nursing student rotations from non-UAMS schools ranging from LPN to MSN
- Nursing Assistant and Home Care Aide Programs

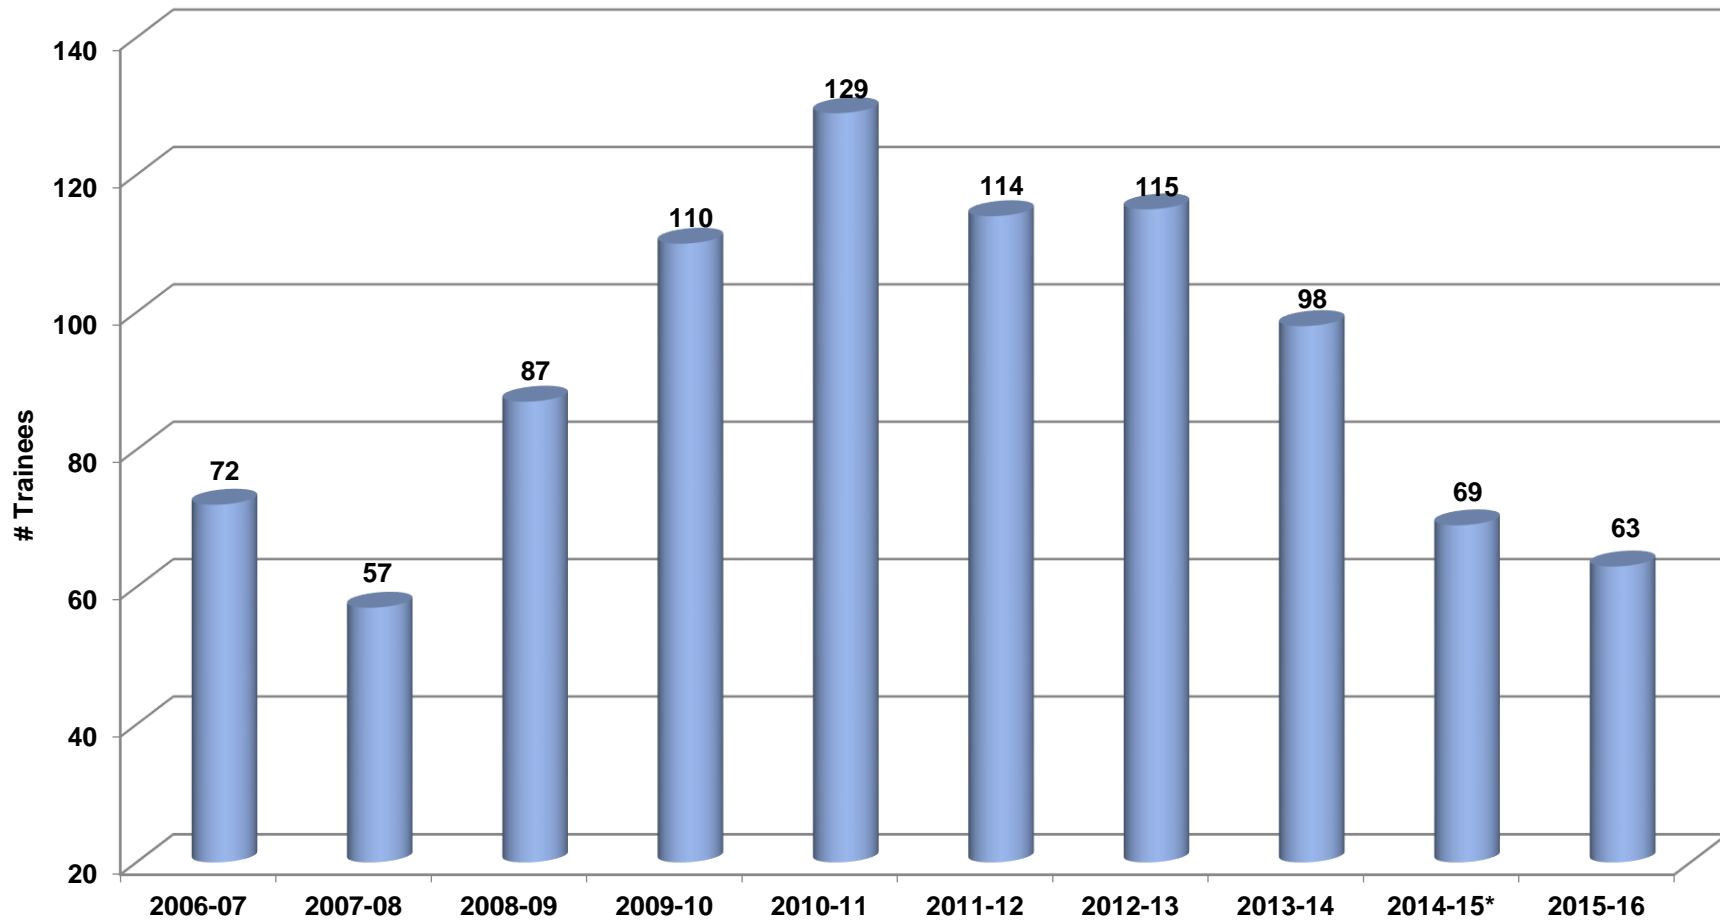

## Statewide Totals Pharmacy

Trainees may include:

- Traditional PharmD student rotations from UAMS
- Pharmacy Residency participants

## Statewide Totals Health Professions

Trainees may include:

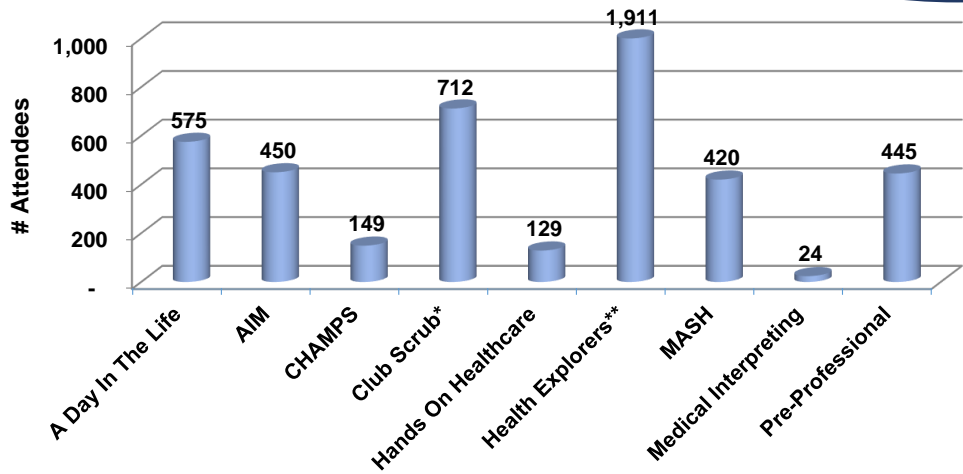

- Regional Center based programs in Radiologic Imaging, Respiratory Care, Diagnostic Sonography, Health Information Management (including some course work via interactive television and the internet)
- Clinical rotations and/or internships in Medical Laboratory Science, Nuclear Medicine, Phlebotomy, Community Health Work, or Social Work

\* Several programs across the state were phased out & new UAMS Physician Assistant (PA) student rotations began.

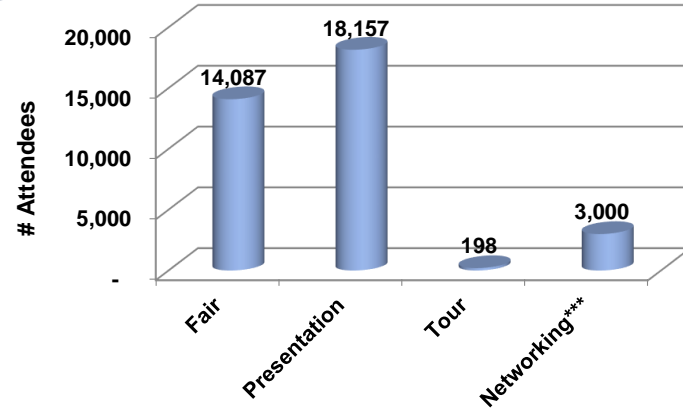

## Statewide Pre-Health Activities 2015-2016

Total students reached  
37,257

### Pipeline Training

### Event Participants

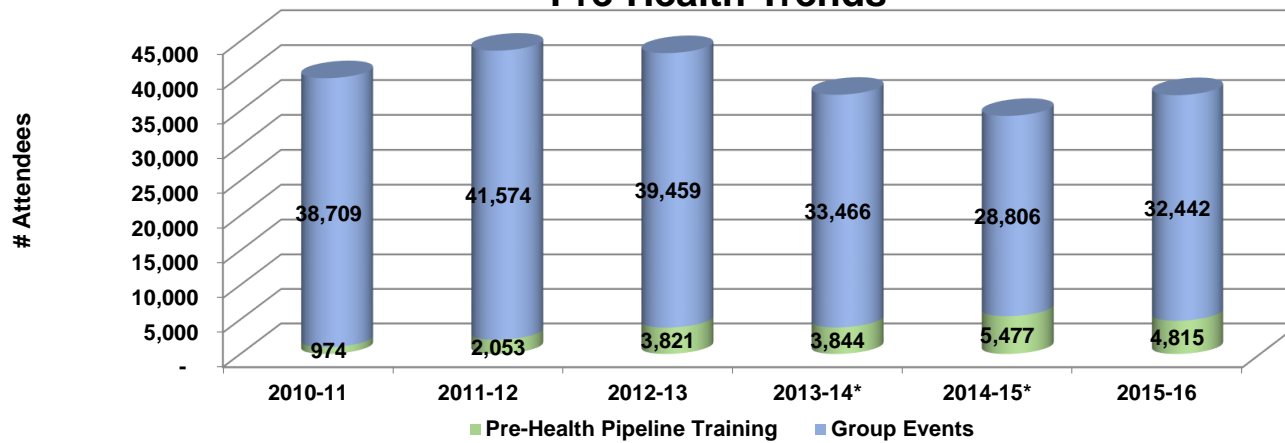

\* Club Scrub total includes Med Pro Ed

\*\* Health Explorers Events are counted with Health Career Pipeline

\*\*\* Networking includes students, parents, and faculty and is not counted in the overall Event student total

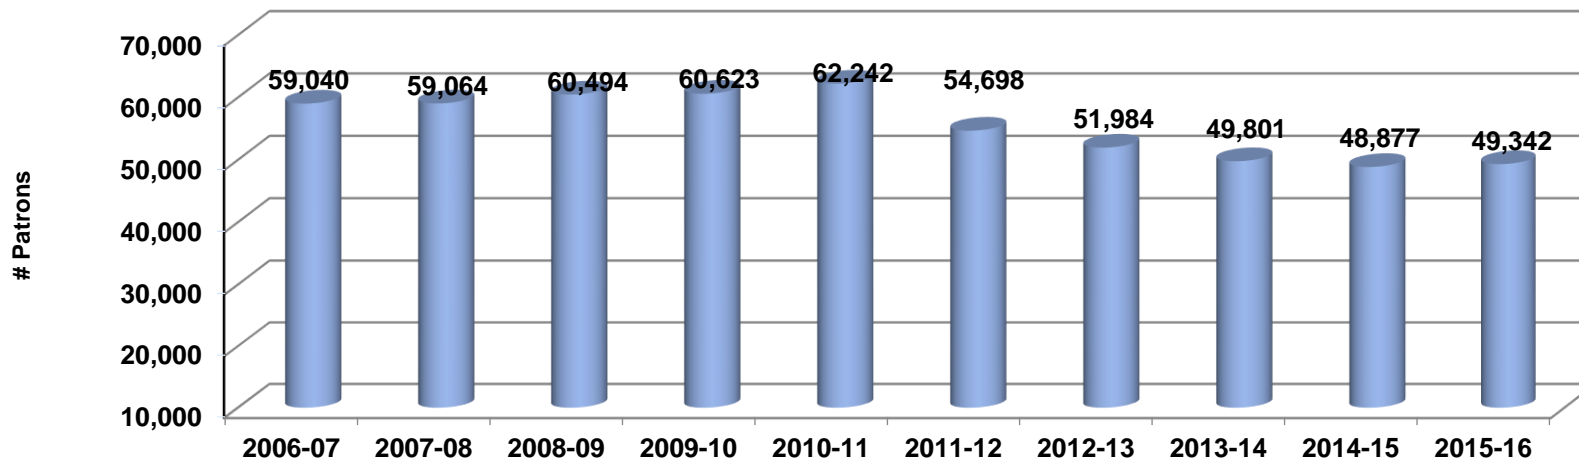

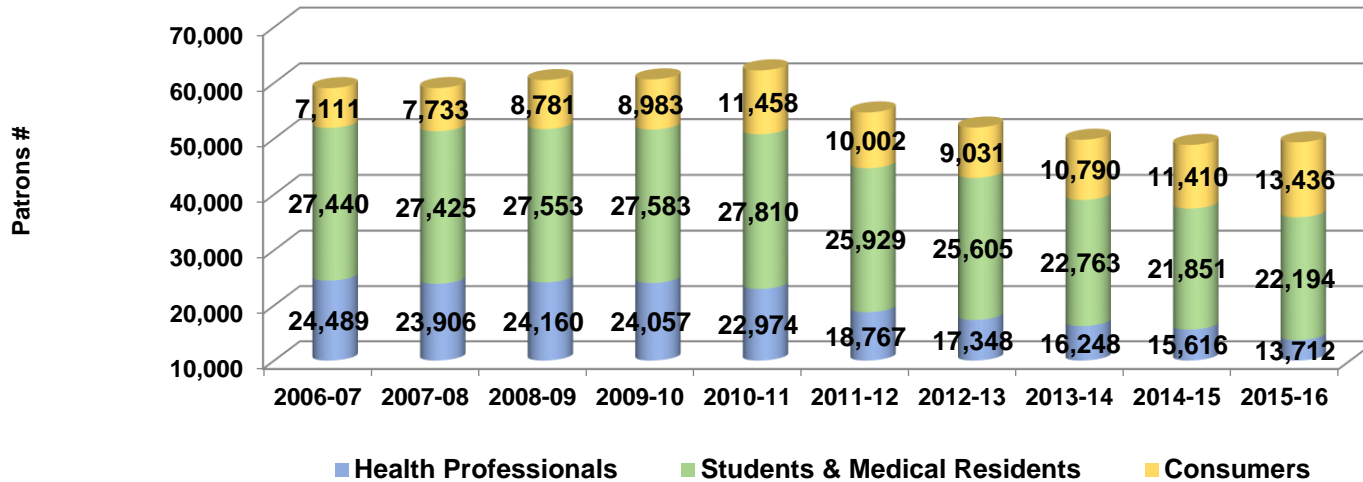

### Pre-Health Trends

\* Decrease in numbers due to more focus on structured training for small groups, plus vacancies in two recruiter positions part of the year.

## Statewide Totals Library Usage

-Library Patrons may include practicing health professionals, students/residents in training, and the lay public.
